ta da.... IT'S SHOWTIME!

On Saturday 27th June we are presenting a Performance Show that gives the students an opportunity to perform for an audience, as well as to give family & friends the opportunity to watch their "Stars" perform. These shows further develop the student's confidence and encourage their progress in dancing and performing. **We encourage all students to participate, however the shows are not compulsory. Performance Music CD's are now available for \$10 from Miss Sian.**
