

Farmer Green

Match the pictures and draw a line from one to another making pairs.

What belongs together on the farm?

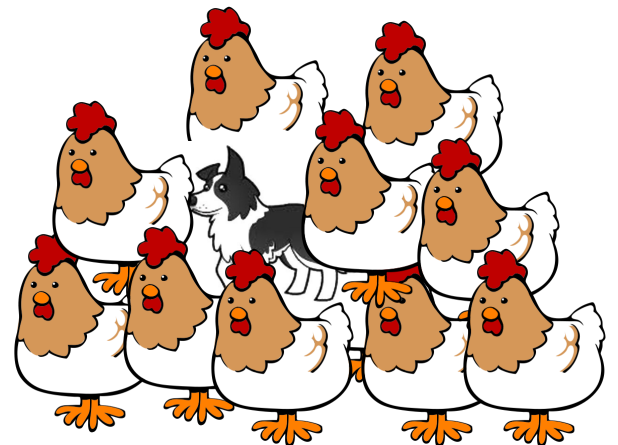

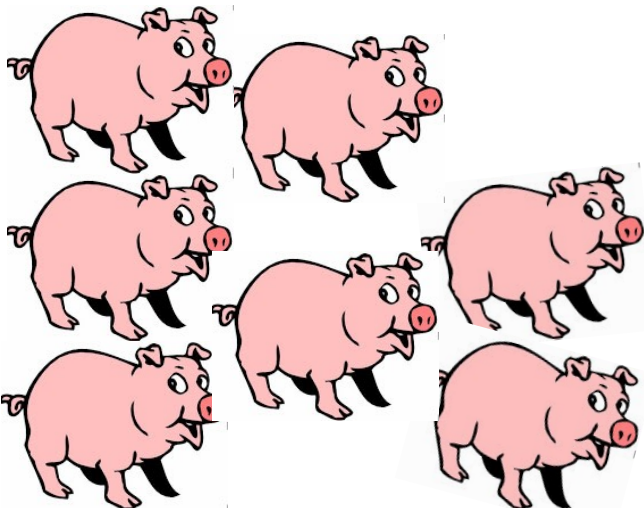

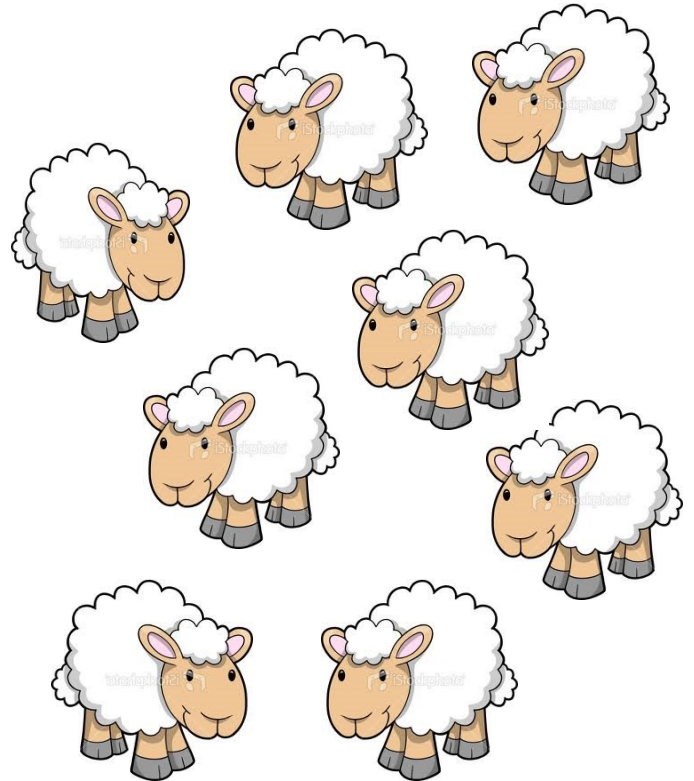

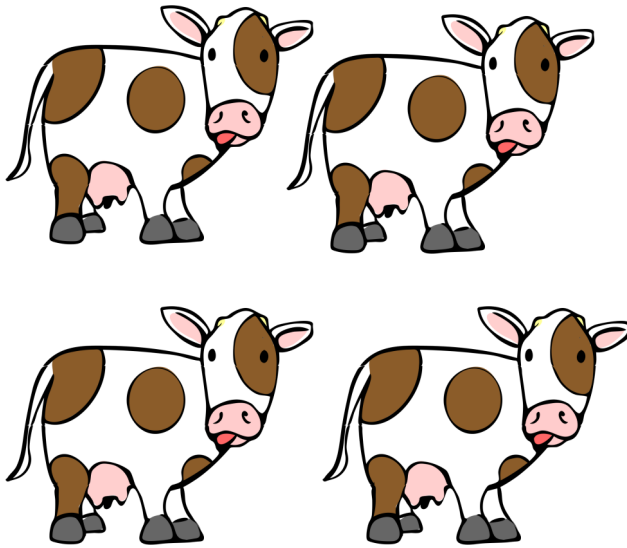

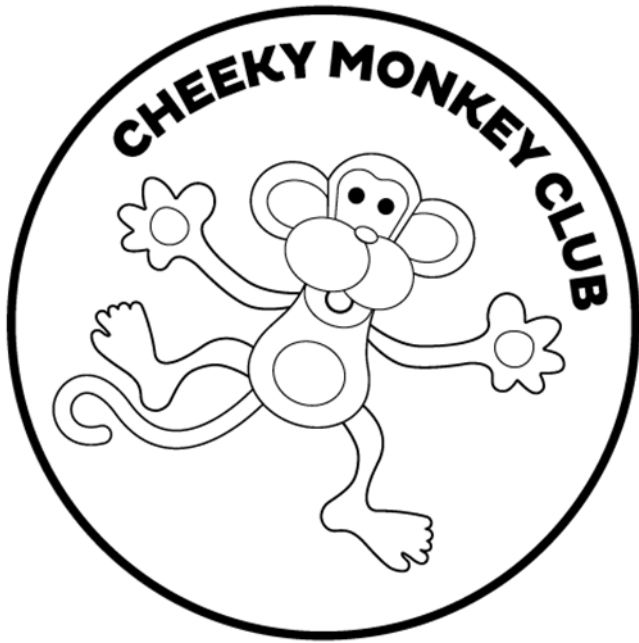

Farmer Green

The fences are down! Draw some paddocks, so the animals don't get mixed up. Make sure you count all the animals.

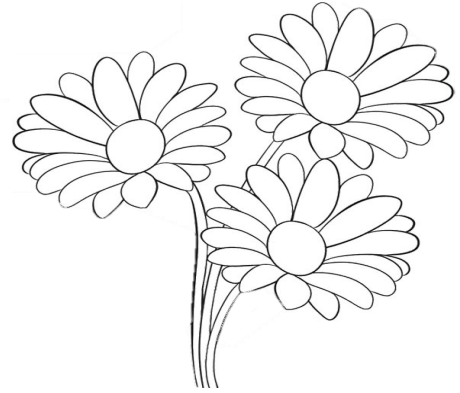

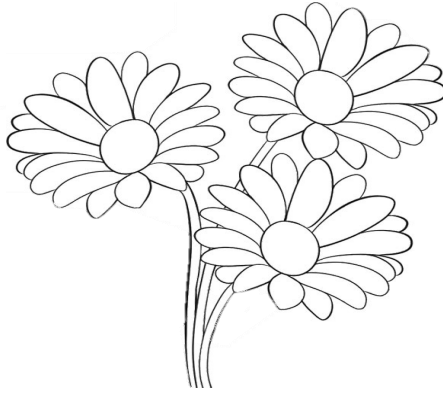

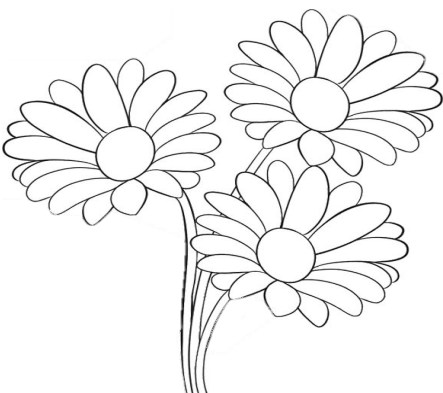

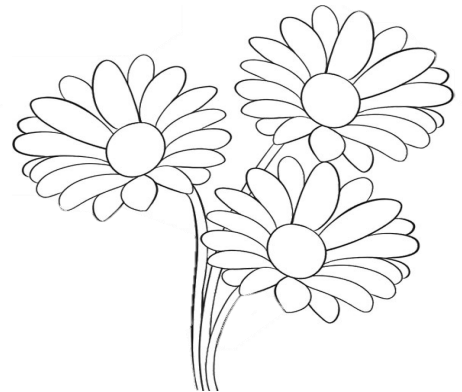

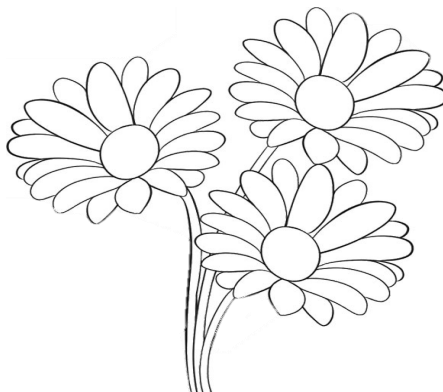

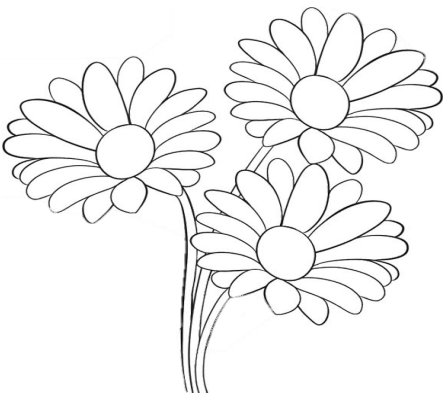

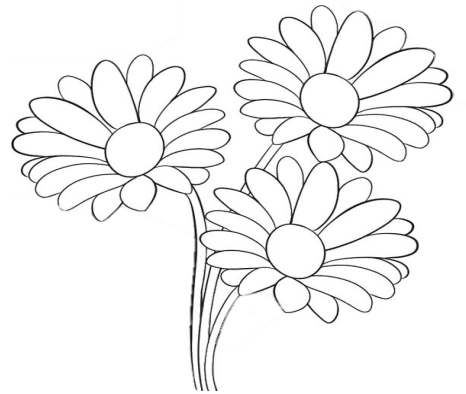

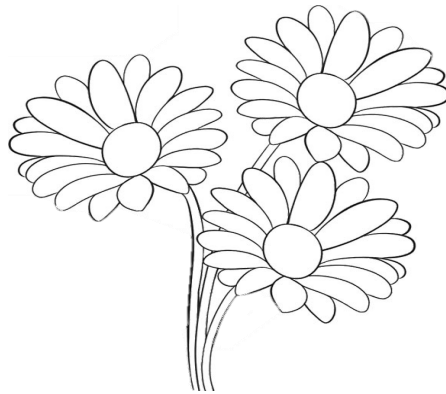

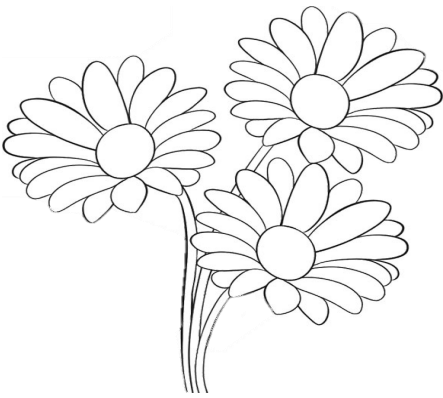

Where is Farmer Green's dog?

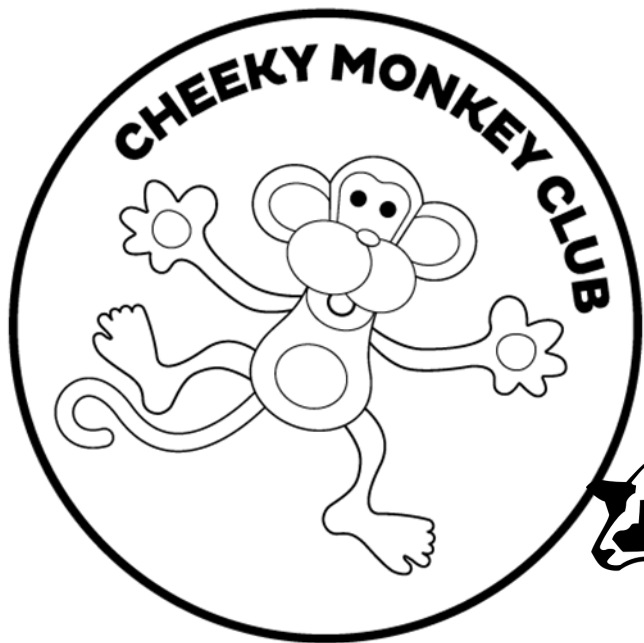

Farmer Green

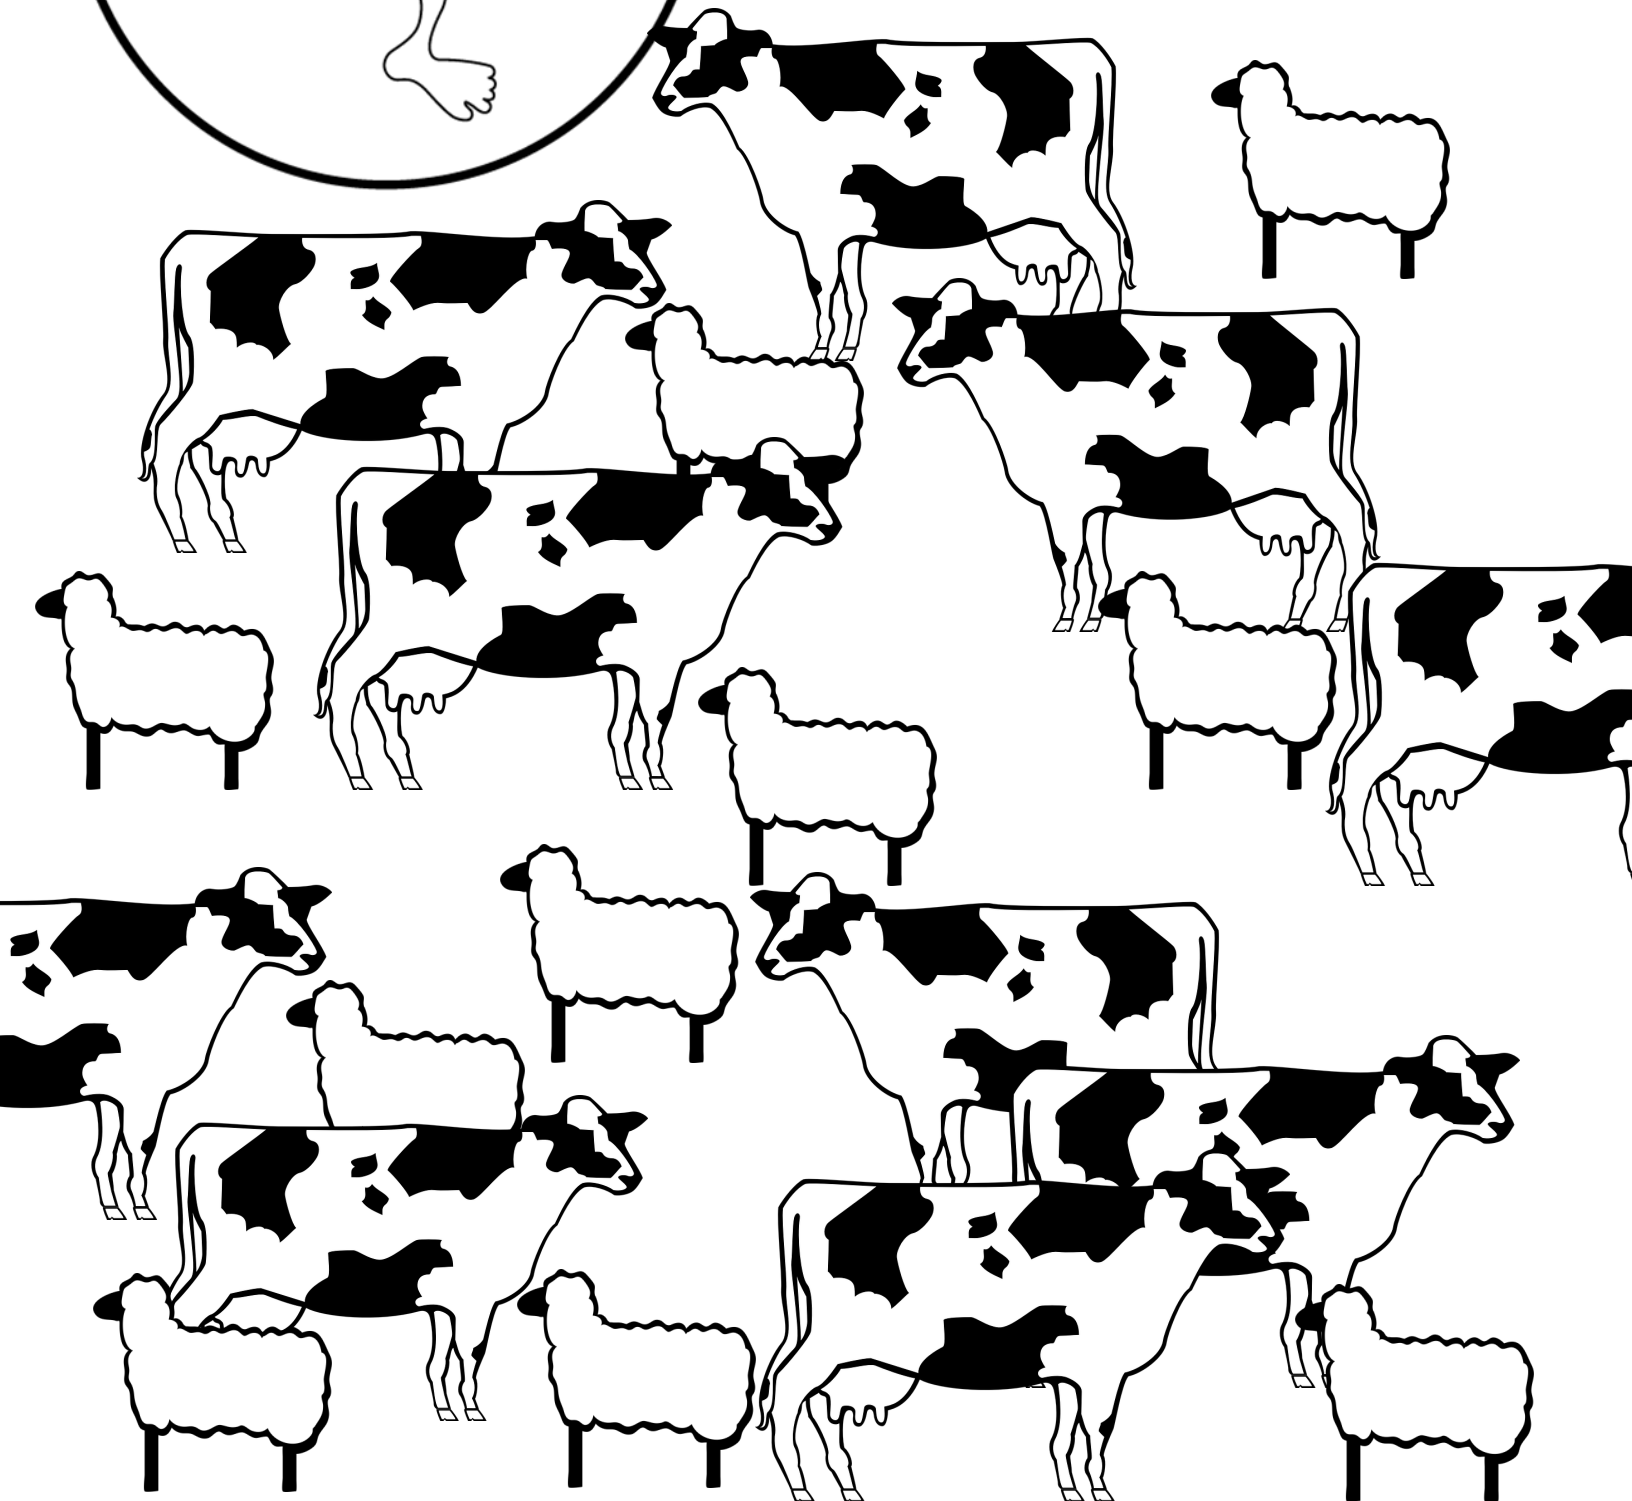

Make a rainbow flower farm and create colourful patterns in each bunch.

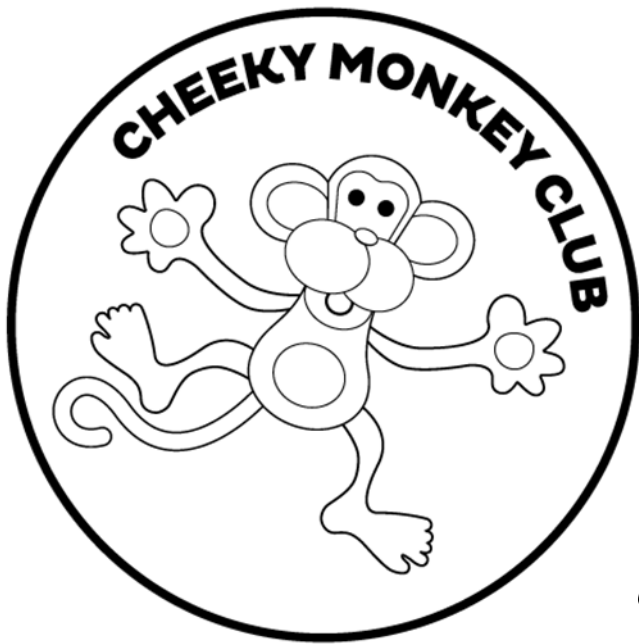

Farmer Green

The fences are down and the sheep are out.
Count and colour the sheep hiding in
the cow's paddock?

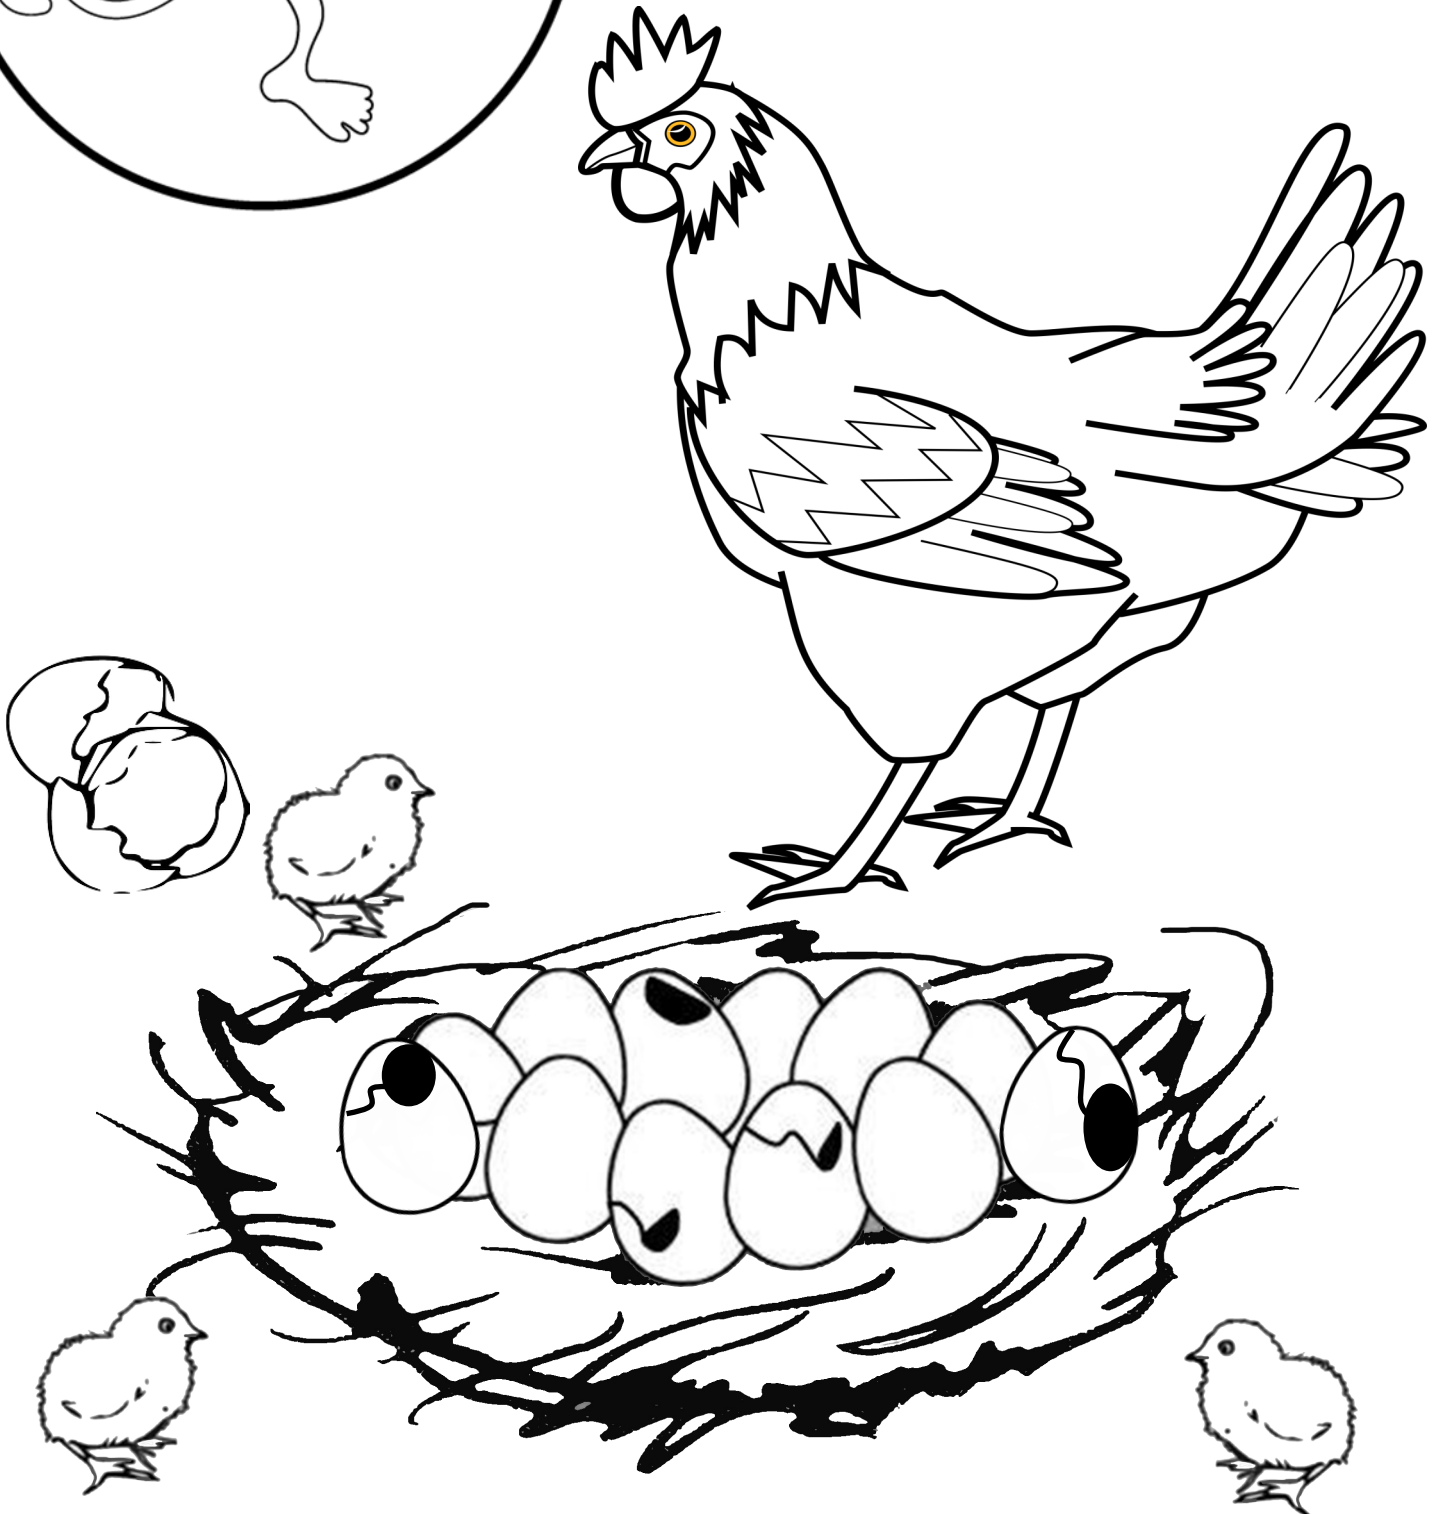

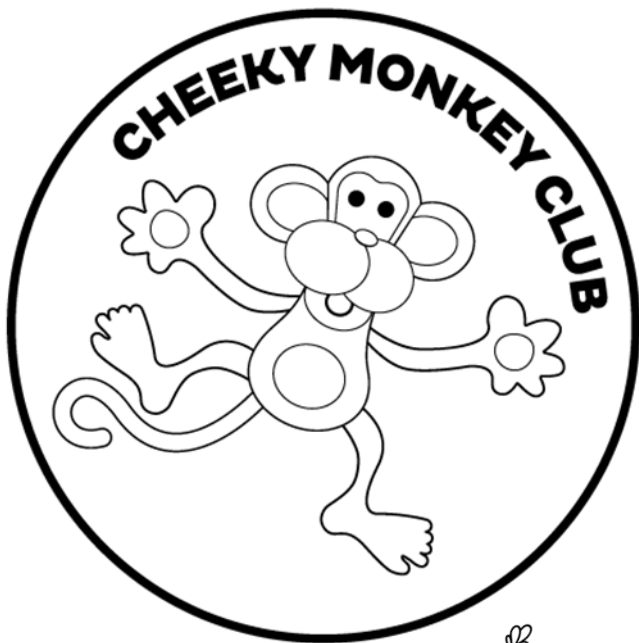

Farmer Green

Five more chicken eggs are hatching!

Can you find them?

The hen is excited to meet her baby chicks.

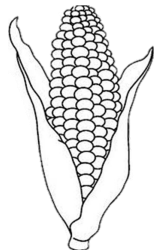

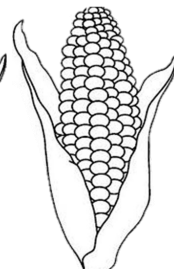

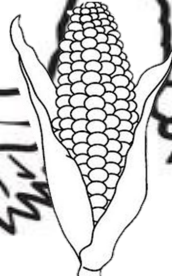

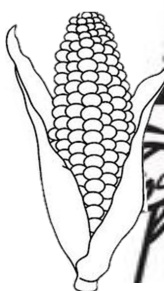

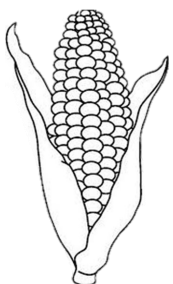

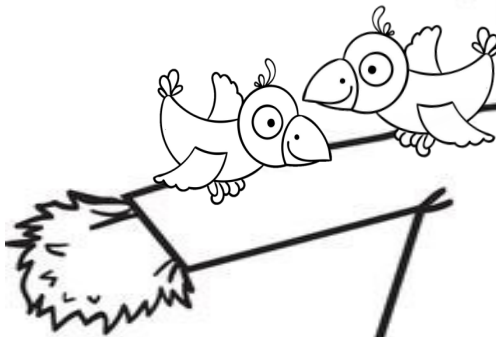

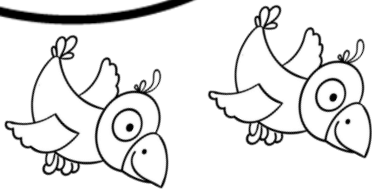

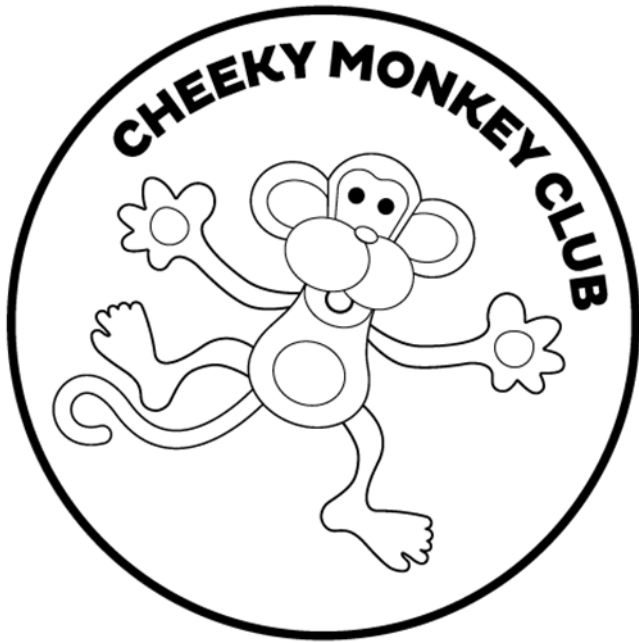

Farmer Green

Uh Oh! The scarecrow needs to do a dance and scare the birds from the corn fields.

How many birds can you count?

Farmer Green

Some of the blades are missing on the wind turbines. They need three blades each to create lots of energy.
